Each proposal must be signed by the individual or firm making it,
and must specify a price—and but one price—for each and every article contained in the schedule, of the class proposed for, and those for
paper must be accompanied by sufficient samples of each article to estable the department to judge and make selection. Should any articles
be required not enumerated, they are to be furnished at the lowest market prices, according to quality. Blank forms for proposals will be
founded at the department to persone applying for them; and as,
without uniformity therein, the department would find it difficult to
make a depeldon, more will be tricen into consideration unless substantially agreeing therewith.

The proposals to be addressed to "the Department of State," and
endorsed "Proposals for Stationery." Notice will be required, within
live days thereafter, to give bond, with two sufficient surribes, for its
performance.
